Temporary Relocation of GDC Sidhra

Due to the severe flooding and subsequent submergence of the Government Degree College, Sidhra campus, significant infrastructural damage occurred to the college premises. In view of this unfortunate situation, and in compliance with the directions issued by the Department of Higher Education, Government of Jammu and Kashmir, necessary arrangements have been made to ensure the uninterrupted continuation of academic and administrative activities.

At present, regular classwork is being conducted at Maulana Azad Memorial (MAM) College, Jammu, while the office, administrative operations, and faculty-related work are functioning from Padma Shri Padma Sachdev Government College for Women (PSPS GCW), Gandhi Nagar.

For any queries or assistance, please contact the college administration. Further updates will be communicated through official channels.
